## Welcome to the Y17 & Y19 Boys Bandy World in Sandviken!

*Dear Bandy Friends,*

It is with great pride that I, as the President of the Swedish Bandy Federation and a resident of Sandviken, warmly welcome you to the city of steel – my hometown where steel transforms into "gold" – and to our fantastic Göransson Arena.

Hosting these championships in an arena that stands as a symbol of the city's founders, as well as the joy of bandy and community, is a tremendous honor.

Here, the world's best young players gather to compete for medals, but also to form friendships and create memories for life. Göransson Arena provides the perfect setting for this – a place where the passion and future of the sport meet.

I would like to extend my heartfelt thanks to everyone who made this event possible – SAIK Bandy, referees, FIB, and volunteers. Your dedication is invaluable.

Let us come together to enjoy fantastic bandy and celebrate the uniting power of sports!

Welcome, and best of luck to all!

Ingrid H Amrén  
President of the Swedish Bandy  
Federation
